# TABLE OF CONTENTS

## Letter from the Chief Financial Officer

The financial statements and other information contained in this report have been prepared by management, which is responsible for the information's integrity and objectivity. The financial statements have been prepared in accordance with generally accepted accounting principles applied on a consistent basis and are deemed to present fairly the financial position of ALBERTINA KERR CENTERS and the changes in its net assets and cash flows. Where necessary, management has made informed judgments and estimates of the outcome of events and transactions, with due consideration given to materiality.

As a means of fulfilling its responsibility for the integrity of financial information included in this report, management relies on a system of internal controls established to ensure, within reasonable limits, that assets are safeguarded against loss or unauthorized use, that transactions are properly recorded and executed in accordance with management's authorization, and that the accounting records can be relied upon to prepare financial statements in accordance with generally accepted accounting principles. This system is augmented by careful selection and training of qualified personnel and the dissemination of written policies and procedures.

The financial statements have been examined by the organization's independent accountants, GARY MCGEE & CO. LLP, whose report follows. Their examinations were made in accordance with generally accepted auditing standards. The Board of Directors meets periodically with management and the independent accountants to review accounting, auditing, internal accounting controls, and financial reporting matters, and to ensure that all responsibilities are fulfilled with regard to the objectivity and integrity of the organization's financial statements. The Board of Directors also reviews the scope and results of Albertina Kerr Centers' audit, and current and emerging accounting and financial requirements and practices affecting the organization.

# REPORT OF INDEPENDENT ACCOUNTANTS

*The Board of Directors*
*Albertina Kerr Centers:*

We have audited the accompanying consolidated financial statements of Albertina Kerr Centers, which comprise the consolidated statement of financial position as of June 30, 2015, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

*Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Albertina Kerr Centers as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States.

*Supplementary Information*

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating schedules on pages 27 and 28 are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

*Summarized Comparative Information*

We have previously audited Albertina Kerr Centers' 2014 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated November 5, 2014. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2014 is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

## 1. Organization

A private, nonprofit organization, Albertina Kerr Centers has been headquartered in Portland, Oregon since 1907. Albertina Kerr strengthens Oregon families and communities by helping children and adults with mental health challenges and developmental disabilities, empowering them to live richer lives. Private donations and community support make this vital work possible

## 2. Summary of Significant Accounting Policies

The significant accounting policies followed by Albertina Kerr Centers are described below to enhance the usefulness of the financial statements to the reader.

**Basis of Accounting** – The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles and the principles of fund accounting. Fund accounting is the procedure by which resources for various purposes are classified for accounting purposes in accordance with activities or objectives specified by donors.

**Principles of Consolidation** – The accompanying financial statements include the accounts of Albertina Kerr Centers; Albertina Kerr Centers Foundation (the "Foundation"); Kerr Bikes, LLC; and The Old Kerr Nursery Association ("TOKNA"), a voluntary association that operates Albertina's restaurant, the Kerr Gift Shop, and Kerr's Economy Jar and Annex for the benefit of the organization's programs. All significant inter-organizational investments, accounts, and transactions have been eliminated.

**Basis of Presentation** – The organization has adopted the provisions of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") No. 958-605, *Revenue Recognition* and FASB ASC No. 958-205, *Presentation of Financial Statements*. Under these provisions, net assets and all balances and transactions are presented based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the organization and changes therein are classified and reported as follows:

- *Unrestricted net assets* – Net assets not subject to donor-imposed stipulations.

- *Temporarily restricted net assets* – Net assets subject to donor-imposed stipulations that will be met either by actions of the organization and/or the passage of time. These balances represent the unexpended portion of externally restricted contributions and investment return to be used for specific programs and activities as directed by the donor.

- *Permanently restricted net assets* – Net assets subject to donor-imposed stipulations that they be maintained permanently by the organization. Generally, the donors of these assets permit the organization to use all or part of the income earned on related investments for general or specific purposes.

Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions.

**Use of Estimates** – The preparation of financial statements in conformity with generally accepted accounting principles requires that management make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. In the opinion of management, such differences, if any, would not be significant.

**Cash Equivalents** – For purposes of the financial statements, the organization considers all liquid investments having initial maturities of three months or less to be cash equivalents. Cash and cash equivalents held as part of the organization's investment portfolio, and where management's intention is to use the cash to acquire investments to be held long-term, are classified as investments.

**Investments** – Investments are carried at fair value. Net appreciation (decline) in the fair value of investments, which consists of the realized gains or losses and the unrealized appreciation (decline) of those investments, is reported in the statement of activities. Interest income is accrued as earned, and is presented net of investment advisory fees (totaling $66,071 for the year ended June 30, 2015).

The organization has some exposure to investment risks, including interest rate, market, and credit risks. Due to the level of risk exposure, it is possible that near-term valuation changes for investment securities may occur to an extent that could materially affect the amounts reported in the accompanying financial statements.

**Capital Assets and Depreciation** – Generally, property and equipment with a carrying value of $3,000 or more are capitalized and reported at cost when purchased, and at market value when acquired by gift. Depreciation is provided on a straight-line basis over the estimated useful lives of the respective assets, which is generally 40 years for buildings, 10 to 20 years for building improvements, 10 years (or the length of the lease term, if less) for leasehold improvements, and 3 to 5 years for furniture, equipment, and vehicles.

The organization periodically reviews the carrying amount of its capital assets whenever events or circumstances provide evidence that suggests that the carrying amount may not be recoverable. If this review indicates that capital assets may not be recoverable, the organization reviews the expected undiscounted future net operating cash flows from the use of these assets. If such assets are considered to be impaired, the impairment in value is recognized as a charge in the statement of activities. The impairment charge is the difference between the carrying amount of the capital assets and its fair value. As of June 30, 2015, the organization does not believe there is any indication that the carrying value or the amortization of its capital assets has been impaired during the year ended June 30, 2015.

**Beneficial Interest in Trusts** – The organization receives contributions of property in which the donor or donor-designated beneficiary may retain a life interest. The assets are invested and administered by either a trustee or the organization, and distributions are made to the beneficiaries during the term of the agreement. These funds are invested in debt and equity securities, and the organization records its interest in these trusts at fair value based on estimated future cash receipts. Initial recognition and subsequent adjustments to the assets' carrying values are reported as a change in the value of split-interest trusts in the accompanying financial statements, and are classified as permanently restricted, temporarily restricted, or unrestricted depending on the existence of donor-imposed purpose or time restrictions, if any.

**Endowment Funds and Interpretation of Relevant Law** – Effective January 1, 2008, the State of Oregon adopted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") which governs Oregon charitable institutions with respect to the management, investment, and expenditure of donor-restricted endowment funds.

The Board of Directors has interpreted Oregon's adoption of UPMIFA as requiring the organization to adopt investment and spending policies that preserve the fair value of the original gift as of the date of gift, absent explicit donor stipulations to the contrary. Although the organization has a long-term fiduciary duty to the donor (and to others) for a fund of perpetual duration, the preservation of the endowment's purchasing power is only one of several factors that are considered in managing and investing these funds. Furthermore, in accordance with UPMIFA, a portion of the endowment's original gift may be appropriated for expenditure in support of the restricted purposes of the endowment if this is consistent with a spending policy that otherwise satisfies the requisite standard of prudence under UPMIFA.

As a result of this interpretation, the organization classifies as permanently restricted net assets (1) the original value of gifts donated to the permanent endowment, (2) subsequent gifts to the endowment, and (3) accumulations made pursuant to the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

Net earnings (realized and unrealized) on the investment of endowment assets are classified as temporarily restricted until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by UPMIFA and until expended in a manner consistent with the purpose or time restrictions, if any, imposed by the donor. Any investment return classified as permanently restricted represents only those amounts required to be retained permanently as a result of explicit donor stipulations.

With regard to endowment losses or appropriations in excess of the fair value of the original gift, in accordance with FASB ASC No. 958-320, *Investments – Debt and Equity Securities*, the portion of a donor-restricted endowment that is classified as permanently restricted is not reduced by losses on the investments of the fund, except to the extent required by the donor, including losses related to specific investments that the donor requires the organization to hold in perpetuity. Similarly, the amount of permanently restricted net assets is not reduced by the organization's appropriations from the fund. In the absence of donor stipulations or law to the contrary, losses or appropriations of a donor-restricted endowment reduce temporarily restricted net assets to the extent that donor-imposed temporary restrictions on net appreciation of the fund have not been satisfied before the loss or appropriation occurs. Any remaining loss or appropriation reduces unrestricted net assets.

In accordance with UPMIFA, the Board of Directors has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to the programs and operations supported by its endowment, while also seeking to maintain the long-term purchasing power of the endowment assets. Therefore, the Board of Directors considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund;
- The purposes of the organization and the fund;
- General economic conditions;
- The possible effect of inflation and deflation;
- The expected total return from income and the appreciation of investments;
- Other resources of the organization; and
- The investment policies of the organization.

To meet that objective, the Foundation's policies limit the spending of investment income and appreciation to a maximum of 7.0% of the market value of such investments calculated on a 13-quarters rolling average. During the year ended June 30, 2015, the Foundation's Board of Trustees appropriated 4.0%, or a total of $87,538, from donor-restricted endowment funds, and $260,664 from the Board-designated endowment in accordance with this policy. In addition, the Foundation's Board of Trustees authorized the appropriation of $1,240,170 from Board-designated endowment funds to help cover the costs of some nonrecurring operating expenses.

**Contributions** – Contributions, which include unconditional promises to give (pledges), are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value.

Contributions receivable for the support of future operations, programs, and activities are recorded at the present value of the estimated future cash flows, net of an allowance for uncollectible amounts. The allowance for uncollectible contributions receivable is provided based upon management's judgment including such factors as prior collection history, type of contribution, and nature of fundraising activity.

Contributions of land, buildings, and equipment without donor stipulations concerning the use of such long-lived assets are reported as revenues of the unrestricted net asset class. Contributions of cash or other assets to be used to acquire land, buildings, and equipment with such donor stipulations are reported as revenues of the temporarily restricted net asset class; the restrictions are considered to be released over the period of the asset's intended useful life.

**In-Kind Contributions** – The organization receives contributed services from a large number of volunteers who assist in fundraising efforts through their participation in a range of businesses and activities. In accordance with FASB ASC No. 958-605, *Revenue Recognition*, the values of such services, which the organization considers not practicable to estimate, have not been recognized in the statement of activities. Significant services received which create or enhance a non-financial asset or require specialized skills that the organization would have purchased if not donated are recognized in the statement of activities. During the year ended June 30, 2015, the organization recorded $9,171 in donated program-related services and $12,340 in donated services for special events.

In-kind contributions of equipment, other capital assets and materials, the free or discounted use of facilities, and contributed fundraising materials and advertising are recorded where there is an objective basis upon which to value these contributions and where the contributions are an integral part of the organization's activities. During the year ended June 30, 2015, the organization recorded $191,168 in in-kind contributions of program goods and materials, and $49,960 in donated materials for special events. In addition, the organization reported $12,964 in in-kind contributions associated with the use of program facilities at discounted rates, $17,108 in the free use of meeting facilities for special events, and $37,985 in contributed advertising for special events.

**Outstanding Legacies** – The organization is the beneficiary under various wills and trust agreements, the total realizable amounts of which are not presently determinable. The organization's share of such bequests is recorded when the probate court has declared the testamentary instrument valid and the proceeds are measurable.

**Revenue Recognition** – All contributions and grants are considered available for unrestricted use unless specifically restricted by the donor. Service revenues are recognized at the time services are provided and the revenues are earned.

**Benefits Provided to Donors at Special Events** – The organization conducts special fundraising events in which a portion of the gross proceeds paid by the participants represents payment for the direct cost of the benefits received by participants at the event. Unless a verifiable, objective mean exists to demonstrate otherwise, the fair value of meals and entertainment provided at special events is measured at the actual cost to the organization.

**Advertising and Promotional Expenses** – Advertising and promotional costs are charged to expense as they are incurred.

**Concentrations of Credit Risk** – The organization's investments consist primarily of financial instruments that include cash equivalents, equity and fixed-income securities, mutual funds, exchange-traded funds, real estate investment trusts, and a beneficial interest in assets held by the Oregon Community Foundation ("OCF"), which may subject the Foundation to concentrations of credit risk as, from time to time, for example, cash balances may exceed amounts insured by the Federal Deposit Insurance Corporation ("FDIC"). In addition, the market value of securities is dependent on the ability of the issuer to honor its contractual commitments, and the investments are subject to changes in market values.

All checking and savings accounts, money market deposit accounts, and certificates of deposit are insured by the FDIC for up to $250,000 for each depositor, for each insured bank, for each account ownership category.

The fair values of securities are dependent on the ability of the issuer to honor its contractual commitments, and the investments are subject to changes in market values. The organization's beneficial interest in assets held by OCF (see note 7) is subject to changes in the market values of the underlying assets owned by OCF (from which the value of the organization's beneficial interest has been derived), and is also dependent on the value of the assets being commensurate with the value of distributions expected to be made to the organization by OCF in future years.

Certain receivables may also, from time to time, subject the organization to concentrations of credit risk. To minimize its exposure to significant losses from customer or donor insolvencies, management evaluates the financial condition of its customers and donors, and monitors concentrations of credit risk arising from similar geographic regions, activities, or economic characteristics. When necessary, receivables are reported net of an allowance for uncollectible amounts.

**Income Taxes** – Both Albertina Kerr Centers and Albertina Kerr Centers Foundation are exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code ("IRC") and comparable state law. Albertina Kerr Centers has been recognized as a public charity under Sections 170(b)(1)(a)(vi) and 509(a)(1) of the IRC. Albertina Kerr Centers Foundation derives its public charity status as a Type I supporting organization described in IRC Section 509(a)(3). As a single-member LLC controlled by a nonprofit organization, Kerr Bikes, LLC is treated, for tax purposes, as a disregarded entity.

For tax purposes, Albertina Kerr Centers' and Albertina Kerr Centers Foundation's open audit periods are for the years ended June 30, 2012 through 2014.

The organization has adopted the recognition requirements for uncertain income tax positions as required by FASB ASC No. 740-10, *Income Taxes*. Under this standard, income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities.

**Subsequent Events** – As required by FASB ASC No. 855-10, *Subsequent Events,* subsequent events have been evaluated by management through November 5, 2015, which is the date the financial statements were available to be issued.

**Summarized Financial Information for 2014** – The accompanying financial information as of and for the year ended June 30, 2014, is presented for comparative purposes only and is not intended to represent a complete financial statement presentation.

**Other Significant Accounting Policies** – Other significant accounting policies are set forth in the financial statements and the following notes.

## 3. Program Services

During the year ended June 30, 2015, the organization incurred program service expenses in the following major categories:

*For Children and Families*

**Children's Developmental Health Services** – Diagnosis and treatment for children with developmental disabilities including communication and developmental delays. Families will find specialized comprehensive team-based care.

**Crisis Psychiatric Care (Sub-Acute)** – Short-term inpatient care with 24-hour access to mental health professionals for children experiencing urgent mental health crises.

**Early Childhood Outpatient Services** – Assistance for children up to eight years of age with behavioral challenges, and their families. The focus is on developing skills to promote the child's success and safety.

**Intensive Community-Based Treatment Services** – Services for children ages 3 to 17 at risk of being unable to stay in their homes or in school due to mental health challenges. In addition to help with building connections within the community to develop long-term stability, the family receives home-based therapy, skills training, and a 24-hour helpline.

**Family Resource Center** – A place for families in our community raising a child with mental health and behavioral challenges to find support and answers to questions, and gain referral information for services that will best meet the needs of their child.

**Foster Care** – Safe and caring homes for foster children with mental health challenges. Foster care providers receive extensive training and 24-hour support.

**Outpatient Services** – Mental health services for children, youth, and their families provided in community settings, including homes, schools, and other locations.

**Youth Group Homes** – Seventeen group homes provide around-the-clock care and life skills training for youth ages 7 to 18 with developmental disabilities and mental health challenges that require specialized care and support..

*For Adults and Families*

**Adult Group Homes** – Thirty-six community-based residential homes that offer 24-hour support and individual growth opportunities to adults with developmental disabilities.

**Employment and Day Services** – Programs for people with developmental disabilities that give them the opportunity to participate in the workforce, join in community activities, and pursue interests that enrich their lives, leading to increased employment, independence and community engagement.

**Supported Living** – A support system for adults with developmental disabilities that provides opportunities to create their own living situation based on their needs and goals.

**Hearing Services** – Audiology and hearing health services.

## 4. Accounts Receivable

At June 30, 2015, the organization reported outstanding receivables, as follows:

| | |
|---|---|
| Program service fees receivable | $ 2,540,584 |
| Contract payments receivable | 1,425,440 |
| | 3,966,024 |
| Less allowance for uncollectible receivables | (138,840) |
| | $ 3,827,184 |

## 5. Contributions Receivable

Contributions receivable at June 30, 2015 represent unconditional promises expected to be collected as follows:

| | |
|---|---|
| Less than one year | $ 1,034,639 |
| From one year to five years | 219,206 |
| | 1,253,845 |
| Less allowance for doubtful collection | (4,823) |
| | $ 1,249,022 |

Gross contributions receivable at June 30, 2015 carry the following restrictions:

| | |
|---|---|
| Capital projects *(note 13)* | $ 988,497 |
| Support of general programs and operations | 265,348 |
| | $ 1,253,845 |

## 6. Investments

Investments, which are carried at fair value, consist of the following at June 30, 2015:

| | |
|---|---|
| Equity securities and funds | $ 5,792,483 |
| Fixed income securities and funds | 1,684,024 |
| Exchange-traded funds | 1,036,843 |
| Real estate investment trusts | 14,496 |
| | 8,527,846 |
| Plus money market funds, sweep options, and other cash equivalents | 310,121 |
| | $ 8,837,967 |

Investments are held for the following purposes:

| | |
|---|---|
| Board-designated endowment | $ 6,207,870 |
| Donor-restricted endowment | 1,956,056 |
| Unappropriated endowment earnings | 577,615 |
| General operations | 96,426 |
| | $ 8,837,967 |

## 7. Beneficial Interest in Assets Held by the Oregon Community Foundation

The organization has established certain Board-designated endowment funds at the Oregon Community Foundation. In accordance with FASB ASC No. 958-605, *Revenue Recognition,* the organization accounts for its interest in these funds using the equity method of accounting, which approximates the present value of the estimated expected future cash flows that will inure to the organization.

Changes in the organization's beneficial interest in these funds for the year ended June 30, 2015 are summarized as follows:

| | |
|---|---|
| Balance at beginning of year | $ 159,644 |
| Contribution of beneficial interest in assets held by the Oregon Community Foundation for the Children's Development Health Institute *(note 23)* | 48,856 |
| Increase in fair value of funds | 350 |
| Balance at end of year | $ 208,850 |

Under the terms of its agreements with OCF, the organization may receive quarterly distributions of investment return in accordance with OCF's spending policies (currently 4.5% of a trailing 13-quarter market value average). Additional distributions can be made at any time by the affirmative vote of a three-quarter majority of the organization's Board of Directors and with the approval of OCF. During the year ended June 30, 2015, the organization did not receive any distributions.

## 8. Contributions Receivable from Charitable Remainder Unitrusts

The organization has been named the beneficiary of several irrevocable charitable remainder unitrusts. The current beneficiaries of the trusts receive a percentage each year of the net fair market value of the assets of the trusts, valued annually. Upon the passing of the current beneficiaries, the organization will receive either a percentage or all of the remaining assets of the trusts.

Contributions receivable totaling $620,876 were recorded at June 30, 2015, representing the actuarially-determined present value of the estimated future cash flows that will inure to the organization, using discount rates ranging from 5.8% to 8.735%. Of the trusts, one representing $267,180 of the total receivable has been restricted by the donor to be added to the existing endowment fund. The other trusts are unrestricted as to purpose, but are reported as temporarily restricted until the remainder portion is realized upon the passing of the current beneficiaries.

## 9. Land, Buildings, Equipment, and Property Rights

A summary of land, buildings, equipment, and property rights at June 30, 2015 is as follows:

| | |
|---|---|
| Land | $ 563,678 |
| Buildings | 15,325,670 |
| Improvements | 5,288,097 |
| Furniture and equipment | 2,858,825 |
| Vehicles | 1,760,330 |
| Property rights | 94,418 |
| Construction-in-progress | 5,366,170 |
| | 31,257,188 |
| Less accumulated depreciation and amortization | (10,564,997) |
| | $ 20,692,191 |

## 10. Other Liabilities

At June 30, 2015, the following summarizes the organization's other liabilities:

| | |
|---|---|
| Funds held on behalf of others | $ 153,060 |
| Liabilities associated with charitable gift annuities [1] | 39,350 |
| | $ 192,410 |

[1] Included in the organization's investment balances at June 30, 2015 are $61,671 in assets invested in money market, equities and mutual funds associated with three charitable gift annuities held at June 30, 2015. Under the terms of these gifts, the organization has agreed, in return for the gifted assets, to make payments to gift beneficiaries for the balance of their lives. Upon the death of the beneficiary (and, in certain cases, the beneficiary's spouse), the organization will receive the balance of the remaining assets. At June 30, 2015, the organization recorded a liability for these charitable gift annuities, representing the actuarially-determined present value of the estimated future payments to be made to the beneficiaries using discount rates ranging from 2.5% to 10.0%. The liability recorded at June 30, 2015 totaled $39,350.

State law requires, among other things, that the issuer of charitable gift annuities maintain certain minimum reserves, calculated in accordance with rules promulgated in Chapter 731.038 of the Oregon Revised Statutes. These rules also mandate that the reserves be held in separate investment accounts. The minimum reserves required by law at June 30, 2015 totaled $39,350.

## 11. Note Payable

At June 30, 2015, the organization had a revolving line of credit in the amount of $2.0 million available for improvements to the campus and campus facilities. The line was secured by investment securities held by the Foundation. Interest is based LIBOR plus 2.75% until July of 2016, after which interest increases to LIBOR plus 3.25%. Interest and principal are due in monthly payments from July 2016 through 2031. Prior to repayment, the organization has the option of executing an interest rate swap agreement for up to the outstanding principal amount for purposes of fixing the interest rate.

Any balances drawn on the line are also guaranteed by the Foundation, and require maintenance of a consolidated debt service coverage ratio of at least 1.25:1.0, and consolidated, unrestricted, unencumbered liquid assets in an amount not less than $2.0 million. At June 30, 2015, the organization was in compliance with these covenants. At June 30, 2015 $1.0 million was outstanding under this agreement.

*Subsequent Event*

In July of 2015, the organization drew the remaining $1.0 million balance available on the line, of which a minimum of $500,000 is due in June of 2018. From that point forward, the outstanding principal amount outstanding under the line cannot exceed $1.5 million.

## 12. Long-Term Debt

The acquisition and rehabilitation of the organization's properties include costs financed through loans received from various parties. The following obligations were outstanding at June 30, 2015:

| | |
|---|---|
| Various mortgage and refinancing notes associated with program facilities [1] | $ 2,608,938 |
| SNAP bond payable [2] | 616,951 |
| City of Gresham notes [3] | 22,853 |
| Construction note [4] | 75,204 |
| Private party mortgage [5] | 208,700 |
| | $ 3,532,646 |

[1] Notes issued by Bank of America with interest rates of between 5.1% and 5.25%, secured by the underlying real property. In addition, to ensure an additional measure of liquidity on this loan, the loan agreement requires Albertina Kerr Centers Foundation, a separately incorporated entity that supports Albertina Kerr Centers, to guarantee the loan by maintaining a minimum of unrestricted, unencumbered liquid assets in an amount in an amount not less than $1.0 - 2.0 million. These notes also require maintenance of a consolidated debt service coverage ratio of at least 1.25:1.0. At June 30, 2015, the organization was in compliance with these covenants.

[2] Bank of America note, in the original amount of $999,900, undertaken to refinance conventional loans associated with four program facilities located in Eugene, Cornelius, Hillsboro, and Salem, and to finance the acquisition of an additional program facility in Portland. Costs incurred to acquire the loan were $49,545 and are being amortized on a straight-line basis over the life of the loan. Interest and principal are due in monthly payments of $8,255, with interest carried at a fixed rate of 5.53%, through March of 2023.

The loan was undertaken in 2008, utilizing the "Small Non-profit Accelerated Program" ("SNAP") Bond, which is a tax-exempt bond issued by the Oregon Facilities Authority and exchanged with, in this case, Bank of America in return for the loan made by the Bank to Albertina Kerr Centers. A type of private placement bond, this method of financing provided the organization with a streamlined approach to financing and significantly reduced fees.

The loan is secured by the underlying real property and guaranteed by the Foundation with the agreement to maintain unrestricted, unencumbered liquid assets in an amount in an amount not less than $2.0 million. At June 30, 2015, the organization was in compliance with these covenants.

[3] Two notes with the City of Gresham, Oregon. Proceeds were used to finance $90,163 in sewer assessment charges. Interest is at 5.68%. Interest and principal are due in monthly payments of $629 through August of 2018.

[4] Wells Fargo Bank, in the amount of $450,000, for construction of the sub-acute psychiatric residential treatment facility. This is a 20-year loan with rate adjustments every five years. In conjunction with this loan, the State of Oregon awarded a 4.0% tax credit, which effectively reduces the market interest rate to 4.27%, also adjustable every five years. Prepayment penalties will not be assessed at the adjustment dates, but could apply if prepayment was made at any other time. Costs incurred to acquire the loan were $16,419 and are being amortized on a straight-line basis over the life of the loan. Interest and principal are due in monthly payments of $2,571 through November of 2017.

[5] Total of $223,000, used to acquire the Tanager group home in Hillsboro, Oregon. Loan is interest free. Principal is due in monthly payments of $1,100 through May of 2029.

Obligations for future payments of principal are summarized as follows:

| *Years ending June 30,* | |
|---|---|
| 2016 | $ 252,040 |
| 2017 | 264,623 |
| 2018 | 262,127 |
| 2019 | 251,738 |
| 2020 | 264,543 |
| Thereafter | 2,237,575 |
| | $ 3,532,646 |

Interest expense totaled $176,710 for the year ended June 30, 2015.

## 13. Restrictions and Limitations on Net Asset Balances

*Board-Designated Net Assets*

At June 30, 2015, $6,589,214 had been designated by the Board of Directors for endowment purposes.

*Temporarily Restricted Net Assets*

Temporarily restricted net assets held at June 30, 2015 represent $7,426,778 in contributions, grants, and other unexpended revenues and gains available for specific program purposes and future periods, as follows:

| | |
|---|---|
| *Net investment in capital assets to be amortized:* | |
| Group home properties | $ 1,189,035 |
| Information technology software | 9,258 |
| Building repairs, and other major building projects and investments | 4,163,774 |
| | 5,362,067 |
| *Contributions receivable:* | |
| "Community Promise" capital campaign contributions receivable: | |
| Sub-acute expansion | 50,000 |
| Intensive Treatment facility construction | 338,497 |
| Louise Home renovation | 600,000 |
| Unrestricted | 91,632 |
| | 1,080,129 |
| *Charitable remainder unitrusts:* | |
| Contributions receivable from charitable remainder unitrusts *(see note 8)* | 353,696 |
| *Unexpended endowment earnings:* | |
| Purpose unrestricted | 303,533 |
| Chaplaincy | 170,785 |
| Landmark Preservation Fund | 103,297 |
| | 577,615 |
| *Unexpended cash:* | |
| Cash restricted for programs and other purposes | 53,271 |
| Total | $ 7,426,778 |

*Permanently Restricted Net Assets*

At June 30, 2015, the organization held $2,220,545 in endowment funds. The investment income earned on the investment of these permanently restricted net assets is either restricted or unrestricted, as follows:

| | |
|---|---|
| Income unrestricted | $ 1,315,594 |
| Income restricted for: | |
| Landmark Preservation Fund – improvements to the Old Kerr Nursery Association building | 241,015 |
| Chaplaincy program | 663,936 |
| | $ 2,220,545 |

*Continued*

The organization's endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowment. As required by generally accepted accounting principles, net assets associated with endowment, including funds designated by the Board of Directors to function as endowment, are classified and reported based on the existence or absence of donor-imposed restrictions.

The following summarizes the organization's endowment-related activities for the year ended June 30, 2015:

| | | Donor-restricted endowment | | | Board-designated endowment | Total endow-ment |
|---|---|---|---|---|---|---|
| | | Temporarily restricted | Permanently restricted | Total | Unrestricted | |
| Endowment net assets at beginning of year | $ | 631,272 | 2,227,747 | 2,859,019 | 7,741,399 | 10,600,418 |
| Grants and contributions | | – | 500 | 500 | 252,869 | 253,369 |

| Appropriation of endowment assets for expenditure | | (87,538) | – | (87,538) | (1,500,834) | (1,588,372) |
| Endowment net assets at end of year | $ | 577,615 | 2,220,545 | 2,798,160 | 6,589,214 | 9,387,374 |

## 14. Net Assets Released from Restrictions

During the year ended June 30, 2015, the organization incurred $617,726 in expenses in satisfaction of the restricted purposes specified by donors, or satisfied the restrictions by the occurrence of other events. Accordingly, a corresponding amount has been reported as a reclassification from temporarily restricted net assets to unrestricted net assets in the accompanying statement of activities, as described in the following table:

| | | |
|---|---|---|
| Satisfaction of donor restrictions for operating purposes | $ | 391,134 |
| Time restrictions that expired as depreciation was recognized | | 226,592 |
| | $ | 617,726 |

## 15. Expenses

The costs of providing the various programs and other activities of the organization have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on certain estimates made by management.

Expenses are presented in their natural categories in the statement of functional expenses.

## 16. Employee Retirement Plans

The organization sponsors a defined contribution retirement savings plan covering substantially all employees who have completed one year of service with the organization and greater than 1,000 hours worked. The plan was established under Section 401(k) of the Internal Revenue Code, with the organization matching employee contributions in the amount of 100% of the first 3.0% of salary deferred and contributed to the plan by the employee, and 50% of the next 2.0% of salary deferred and contributed to the plan by the employee. The plan also includes an additional discretionary employer contribution component, whereby the organization may contribute to the plan a discretionary amount to each eligible employee on an annual basis.

During the year ended June 30, 2015, the organization contributed $258,504 as a part of the plan's matching component described in the preceding paragraph. No discretionary contributions were made to the plan.

## 17. Contingencies

Amounts received or receivable under the organization's governmental contracts are subject to audit and adjustment by the grantor agencies. Any expenditures or claims disallowed as a result of such audits would become a liability of the organization's unrestricted net assets. In the opinion of the organization's management, any adjustments that might result from such audits would not be material to the organization's overall financial statements.

## 18. Self-Insurance Program

The organization is self-insured for unemployment claims. The estimated liability for such claims is based upon management's estimate as of June 30, 2015, and includes provisions for known claims and estimates of incurred but unreported claims. Although the organization's actual expense upon the ultimate disposition of the claims may vary from this estimate, the organization holds general unrestricted funds that are in excess of the recorded liability at June 30, 2015.

Changes in the reported liability for self-insured unemployment claims during the year ended June 30, 2015 resulted from the following:

| | | |
|---|---|---|
| Liability at beginning of year | $ | 238,714 |
| Current year's claims | | 247,869 |
| Claim payments | | (240,818) |
| Liability at end of year | $ | 245,765 |

## 19. Operating Lease Commitments

The organization leases various administrative and program office facilities and equipment under non-cancelable operating leases that expire in various years through 2019. The organization has the option to renew many of these leases at various terms and amounts.

At June 30, 2015, the approximate minimum rental commitments under these leases are as follows:

| *Years ending June 30,* | | |
|---|---|---|
| 2016 | $ | 553,109 |
| 2017 | | 97,031 |
| 2018 | | 46,307 |
| 2019 | | 3,681 |
| | $ | 700,128 |

Rent expense for the year ended June 30, 2015 totaled $1,199,487, including $12,964 in donated use of facilities. Equipment lease costs totaled $16,032.

## 20. Litigation

From time to time, the organization is involved in various unresolved legal actions and claims in the ordinary course of its business involving services provided to severely abused and neglected children, young people with significant mental health and behavioral problems, families in crisis, and individuals with developmental disabilities. Although it is not possible to predict with certainty the outcome of these unresolved legal actions or the range of possible loss or recovery, the organization believes these unresolved legal actions will not have a material adverse effect on its financial position, results of operations, or cash flows.

## 21. Fair Value Measurements

Included in the accompanying financial statements are certain financial instruments carried at fair value. These instruments include:

- Investments
- Beneficial interest in assets held by the Oregon Community Foundation
- Contributions receivable from charitable remainder unitrusts

The fair value of an asset is the amount at which that asset could be bought or sold in a current transaction between willing parties, that is, other than in a forced or liquidation sale; similarly, the fair value of a liability is the amount at which the liability could be transferred in a current transaction between willing parties. Fair values are based on quoted market prices when available. When market prices are not available, fair value is generally estimated using discounted cash flow analyses, incorporating current market inputs for similar financial instruments with comparable terms and credit quality.

All financial assets and liabilities carried at fair value have been classified, for disclosure purposes, based on a hierarchy defined by FASB ASC No. 820, *Fair Value Measurements and Disclosures*. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities and the lowest ranking to fair values determined using methodologies and models with unobservable inputs, as follows:

- *Level 1* – Values are unadjusted quoted prices for identical assets and liabilities in active markets accessible at the measurement date.

- *Level 2* – Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument.

- *Level 3* – Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the organization's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

At June 30, 2015, the following financial assets are measured at fair value on a recurring basis:

| | Level 1 | Level 3 | Total |
|---|---|---|---|
